Hi Everyone,  
Bobby Andrew will be in town here tomorrow and so we will be meeting at 1PM, I hope this time works for you. If it doesn't I will have to follow up with you after our discussion.

We will be using a different teleconference line, 1866-299-3188 code [REDACTED]. I sent a calendar invite through my lotus notes, not sure if that will come through for those of you who don't use that system.

Looking forward to talking with you all soon.

Thanks! Tami

Hi Bobby,

I am wondering if 1PM would work for you? Tomorrow (Wednesday), we could meet here at the Anchorage office.

If you haven't been here before, we are located at 222 W 7th Ave. EPA is on the 5th Floor. There is federal security and so they will want to see ID and that you aren't carrying any weapons - even small pocket knives. ; )

Please let me know if this will work for you.

Thanks! Tami

"Bobby" ---01/14/2013 05:51:21 PM---Tami, Wednesday at 1:30 p.m. would work better since I have to check in about 3 or 3:30 p.m.

Hi Everyone! How about we try another call later this week? I would be happy to fill everyone in on our really great conversation today with Steve Becker and Wilson Justin of Cheeshna Tribal Council.

Would Thursday @ 2PM AK Time work for everyone? Steve & Wilson, since we spoke today you don't need to call in on Thursday, but you would be most welcome!

Thanks! Tami

"Francisca Demoski" ---01/14/2013 04:47:05 PM---My apologies for missing the call as well.

Wisdom Two Part Session - Planning Meeting (01/14/13 @ 2PM)

Happy Monday! Hope you are all staying safe in this wild January  
weather. ; )

Just a reminder, we will be having a planning call today @ 2PM (Ak  
Time) - please call [1866-299-3188](tel:1866-299-3188) code [REDACTED]

If you are in town and want to join us in person, please come over  
to the EPA offices (222 W 7th Ave) - we will be meeting in our EPA  
Large Conference Room, which is on the 5th Floor.

Looking forward to talking with you all soon!

Thanks! Tami

Two Part Session - Planning Meeting (01/14/13 @ 2PM)

---

Happy New Year!

I first want to thank each and every one of you for agreeing to help put this two part session together for the AK Forum. I know a couple of you are still trying to figure out if you can make the Forum, please feel free to join the planning session next week. Seeming as we are not that far away from February 6th - I thought it would be good for us to get together and talk about this session.

I am proposing that we get together next Monday at 2PM, if this will not work please let me know and I will work to reschedule. The teleconference line we will use is [1866-299-3188](tel:18662993188) code [REDACTED].

I also wanted to make sure you were aware of the special presenter registration opportunity. Presenters get the day they speak for free or if you want to attend the entire conference there is a reduced rate (please see the information below). For those of you that are presenting more than one day, the registration system will ask you what days you are presenting (or moderating) - our sessions are on Wednesday. For those of you that are confirmed, your names are

on the agenda.

I look forward to talking with you all soon!

Sincerely - Tami

Here is the information about registration for presenters (directly from the AFE Planning Committee):

AFE encourages Presenters and Moderators to attend the full scope of events at AFE, as participants value the dialogue and networking opportunities that develop with session presenters and moderators. To encourage our Presenters and Moderators to participate for the full week and to recognize the important role they play in AFE, they are offering a special Presenter/Moderator rate is \$225 for the full week. That is less than any discounted early rate and 50% off the Onsite rate. All Presenters and Moderators may register at this rate at <http://www.cvent.com/d/0cq2kq>. Moderators are asked to attend the Moderator training on Monday, February 4th at 8:00 AM to ensure moderators are aware of their AV support, can control lighting, and manage events consistently.

Presenters attending only 1 other day should consider this rate option or the daily rate of \$165 (which is available to the general public as well). Moderators are asked to moderate at least two sessions to take advantage of the discount rate.

**Francisca Demoski**

Francisca, a Bristol Bay Native Corporation (BBNC) shareholder, is originally from Togiak, Alaska. She attended the University of Alaska Fairbanks and graduated with an associate's degree in general studies and a bachelor's degree in Yup'ik Eskimo.

Francisca currently works as the land manager in the BBNC land department. One of the ongoing projects she continues to work on is the Bristol Bay Native Place Names Project. A website was developed with hands-on access to maps, images and place names of the Bristol Bay Region. This website allows the people of Bristol Bay and others to learn about their cultural and traditional knowledge that has been passed down from generation to generation.
